This press release does not constitute an offer to sell, or the solicitation of an offer to buy, any securities in the United States, or to, or for the account or benefit of, any “U.S. person” (as defined in Regulation S under the U.S. Securities Act of 1933 (the “Securities Act”)) (“U.S. Person”), or in any other jurisdiction in which such an offer would be illegal. The securities have not been, and will not be, registered under the Securities Act or the securities laws of any state or other jurisdiction of the United States. In addition, the DUET Group entities have not been, and will not be, registered under the U.S. Investment Company Act of 1940, (the “Investment Company Act”) in reliance on the exception provided by Section 3(c)(7) thereof. Accordingly, the securities cannot be held at any time by, or for the account or benefit of, any U.S. Person who is not both a “qualified institutional buyer”, as defined under Rule 144A under the Securities Act (“QIB”), and a “qualified purchaser”, as defined in section 2(a)(51) of the Investment Company Act (“QP”). Any U.S. Person who is not both a QIB and a QP (or any investor who holds securities for the account or benefit of any U.S. Person who is not both a QIB and a QP) is an “Excluded U.S. Person”. DUET may require an investor to complete a statutory declaration as to whether they (or any person on whose account or benefit it holds securities) are an Excluded U.S. Person. DUET may treat any investor who does not comply with such a request as an Excluded U.S. Person. DUET has the right to: (i) refuse to register a transfer of securities to any Excluded U.S. Person; or (ii) require any Excluded U.S. Person to dispose of their securities; or (iii) if the Excluded U.S. Person does not do so within 30 business days, require the securities be sold by a nominee appointed by DUET. To monitor compliance with these foreign ownership restrictions, the ASX’s settlement facility operator (ASTC) has classified the securities as Foreign Ownership Restricted financial products and put in place certain additional monitoring procedures. The securities may only be resold or transferred in regular brokered transactions on ASX in accordance with Regulation S under the Securities Act where neither such investor nor any person acting on behalf knows, or has reason to know, that the sale has been pre-arranged with, or that the purchaser is, in the United States or a U.S. Person or is acting for the account or benefit of a person in the United States or a U.S. Person, in each case in an “offshore transaction” (as defined in Rule 902(h) under the Securities Act) in reliance on, and in compliance with, Regulation S under the Securities Act.
