## **UNITED ENERGY ISSUES A FURTHER A\$65 MILLION VIA MEDIUM TERM NOTE PROGRAM**

Today United Energy (UE) announced it has issued a further A\$65 million via its medium term note program at a fixed coupon of 6.25% per annum with a maturity of April 2017.

Settlement of the transaction is expected to occur today.

The proceeds will refinance a portion of UE's A\$260 million short term debt facility, which is currently drawn to A\$92 million and matures in April 2014, and for general corporate purposes.

UE CEO Hugh Gleeson said: "This deal came about as a result of investor enquiries into our medium term note program. We are pleased with this continued investor confidence in UE."
